

Product Specifications Sheet	Issue Date: April 18, 2008	Revision:0	Spec.No.:10-85WO
------------------------------	----------------------------	------------	------------------

- 1) Caristrap's Reference: 10480-2
- 2) Description: Woven polyester strapping
- 3) Technical Specifications: 85WO
 Width: 25mm
 Nominal break strength: 1400kg / 3086lb
 Coil length: 300 m / 984'
 Coil weight: 7.5 kg / 16.5 lb
- 4) Quality Requirements: **Meets or exceeds above specifications**
 Under the ASTM D3950-04 this product is a Type IA – no grade specified for 25mm strapping in ASTM standard
- 5) Packaging and Identification:
 Packaging: 2 coils per box
 60 coils per pallet
 Each box ID with:
 TYPE
 WIDTH NOMINAL
 METER PER COIL
 WEIGHT PER BOX
 PRODUCT CODE
 QUANTITY PER BOX
 LOT #
- 6) Documents Available: Copy of ISO certificate.
