

Technical Data

Product:	3 ply non woven face mask (earloop)			
Standard:	EN 93/42/CE			
Sterile:	No			
Specification				
The main Material	Non woven and melt-blow			
Technology	Automatic mask production machine			
Color:	White/ Blue/ Green/ Pink			
Constitute and Appearance	The color non woven , the white melt-blow, the white non woven, two elastic earloop, one nose bridge bar			
Natrual Width	95mm±3			
Natural Length	175mm±3			
Natural Length of earloop	Around 160mm			
The Length of nose bridge bar	Around 105mm			
The weight of the 3ply	20g+20g+25g			
Filtering Efficiency	The particle filtration efficiency of mask filter material should not be less than 95%.			
Packing				
	Inner Box	Carton	TOTAL	2000 pcs in carton
Yes/NO	YES	YES		
Material	White cardbord (350g-400g)	Brown carton		
PCS	50pcs/box	40 Boxes
