

# FOUR-STREAM GLUTTON® RECYCLING STATION, BLUE

SKU: 1792372

## FOUR-STREAM GLUTTON® RECYCLING STATION, BLUE

The Four-Stream Glutton® Recycling Station is a high-capacity, all-in-one centralized solution for efficient waste separation. The large capacity, indoor and outdoor container is built to withstand harsh weather and handling. Diverse recycling lid options and flexible labeling allows each station to be configured and grow with each recycling program's needs.

## FEATURES & BENEFITS

- Includes separate color-coded symbol and word labels for customizing the Recycling Station based on facility needs
- Use any combination of the restrictive opening tops to sort up to four separate waste streams
- Tops snap securely into lid
- Improves productivity by reducing the frequency of trips to empty the filled containers, holding up to 92 gallons of waste
- Designed with a hold-down base that can be filled with sand or water for added stability
- Features traditional Rubbermaid Commercial Products' strength and durability in easy-to-clean, impact-resistant post-consumer plastic
- Permanent hot-stamped logo
